ENROLL THE PATIENT

Enroll the patient.

- Online: www.zioreports.com
- Phone: 1-888-693-2401

Write in Name, Physician, Start Date & Time on cover of Patient Instructions & Button Press Log.

DETERMINE POSITION:

- Patient should stand with arms relaxed at side.
- Skin should be free of perspiration.
- Determine placement area without removing backing.
- Place on flattest part of upper left chest:
  - 1 finger width below collarbone, centered over left pectoral muscle
  - Edge of the ZIO® XT Patch next to sternum
  - Angle so arrow on top label points upward
  - Avoid armpit and breast tissue

PREP SKIN

Prepare a large area:

- SHAVE area if hair is present.
- ABRACE skin, applying pressure for 40 broad strokes—10 times in the direction of each arrow in 2a & 2b (important for adhesion and ECG signal quality).
- CLEAN skin thoroughly with both alcohol pads. Let dry for 1 minute.

APPLY PATCH

- Hold device in the center and remove clear backings. Keep top label on. Do not touch adhesive.
- Place ZIO® XT Patch in the recommended position.
- Press firmly across the entire device for 2 minutes (see image 3).

FINISH & ACTIVATE

- Peel off the 2 parts of the top label (see image 4a).
- Press firmly across the entire device for 2 minutes, working adhesive into the skin. Emphasize pressing on the dotted areas shown in figure 4b.
- Firmly press the 'ZIO' button and release (see image 4c). The green light will flash 5 times indicating that the monitoring has started.
- Help patient get familiar with the location of the button.

FREQUENTLY ASKED QUESTIONS

How long am I supposed to wear the ZIO® XT Patch?
Wear the ZIO® XT Patch according to your physician prescribed wear time but no longer than 14 days.
NOTE: Based on individual wear experiences your actual wear time may be shorter than prescribed.

Can I shower with the ZIO® XT Patch on?
Yes, but keep showers short and keep soaps and lotions away from the ZIO® XT Patch.

Can I take a bath?
Yes, but keep the ZIO® XT Patch above water. The ZIO® XT Patch should not be submerged in water.

Can I go swimming or sit in a hot tub when the ZIO® XT Patch is on?
No.

What if I don’t have symptoms?
That’s okay. The ZIO® XT Patch is designed to capture every beat.

Can I go about my daily activities?
Yes, but activities that cause excessive sweating can cause the ZIO® XT Patch to slide, become loose, fall off, and shorten wear time.

Will the ZIO® XT Patch blink or make noise?
If it is working properly, the ZIO® XT Patch will not flash or make noise.

What if the ZIO® XT Patch falls off?
Call Customer Support. We are available 24 hours a day, 7 days a week.

How do I return the ZIO® XT Patch?
Place it (along with the Patient Instructions & Button Press Log) in the original postage-paid box and drop it off at the Post Office, in a USPS (blue) mailbox or give it to your mail carrier.

WARNINGS
Do not use the ZIO® XT Patch on patients with known allergic reactions to adhesives or hydrogels or have a family history of adhesive skin allergies.
Do not use the ZIO® XT Patch in combination with external cardiac defibrillators or high frequency surgical equipment.
Do not use the ZIO® XT Patch near strong magnetic fields or devices such as MRI.
Do not use the ZIO® XT Patch on patients with a neuro-stimulator, as it may disrupt the quality of ECG data.
Do not use the ZIO® XT Patch on patients who do not have the competency to wear the device for the prescribed monitoring period.
CAUTION: Federal (USA) law restricts the sale of this device to or on the order of a physician.
